

ADEOLU MESOGBORIWON

Online STEM Tutor | Physics, Mathematics & Further Mathematics Specialist

Akute, Lagos, Nigeria | +234 703 717 6627 | adeolumesogboriwon20@gmail.com | Available for Remote/Online Roles

PROFESSIONAL SUMMARY

Results-driven STEM Educator with a B.Eng. in Chemical Engineering and an NCE in Physics/Mathematics, holding 6+ years of combined classroom and private-tutoring experience. Proven record of improving WAEC, NECO, and JAMB pass rates through curriculum-aligned lesson plans and personalized learning strategies. Comfortable delivering instruction via digital platforms; currently completing TEFL certification to strengthen online, learner-centered teaching for international and ESL students.

CORE COMPETENCIES

Online & Remote Teaching (Zoom, Google Meet, Teams, LMS)	Physics, Mathematics, Further Mathematics, Biology, Agricultural Science
WAEC/NECO/JAMB Curriculum Design	MS Office & Google Workspace
Student Assessment & Progress Tracking	Classroom Management & One-on-One Tutoring

PROFESSIONAL EXPERIENCE

Physics & Agricultural Science Teacher

Oct 2021 – Apr 2022

Concordant Models College, Okitipupa, Ondo State

- Delivered Physics and Agricultural Science instruction to 3 cohorts of SS1–SS3 students (90+ students), aligning all lessons with WAEC/NECO curriculum standards.
- Designed continuous assessments and mock exams, using results to target at-risk students for remedial support, contributing to improved term-over-term scores.

Biology & Further Mathematics Teacher

May 2021 – Aug 2021

Yewa South College of Education Staff School, Abeokuta, Ogun State

- Taught Biology and Further Mathematics to SS1–SS3 students
- Coordinated WAEC practical experiments with full equipment compliance, while collaborating with subject teachers to improve consistency of instruction.

Private Tutor — WAEC, NECO & JAMB Preparation

Oct 2021 – Feb 2022

Independent / Private Practice, Abeokuta, Ogun State

- Delivered one-on-one tutoring in English, Mathematics, Physics, and Chemistry
- Built personalized study plans, guiding the student to pass all 4 subjects in WAEC, NECO, and JAMB.

National Youth Service Corps (NYSC)

Mar 2020 – Feb 2021

Industrial Projects International (Nig.) Limited, Abeokuta, Ogun State

- Contributed to project execution and operational-improvement initiatives in a multidisciplinary engineering team, building structured problem-solving skills transferable to STEM instruction.

CERTIFICATIONS & EDUCATION

TEFL Certification — In Progress

Jun 2026 –

Industrial Automation Engineering

Aug 2025 – Mar 2026

Institute of Technology, Lagos, Nigeria

Jun 2024 – Nov 2024

TedPrime Hub, Abeokuta (FGN-NITDA 3MTT Programme)

B.Eng. in Chemical engineering

Aug 2014 – Nov 2019

Federal University of Petroleum Resources, Effurun, Nigeria

Jan 2011 – Aug 2014

Adeyemi College of Education, Ondo, Nigeria

Sept 2006 – Jul 2009

Community Grammar School, Araromi Sea-Side, Nigeria
